

## Fuze T50 MDEA Award Update

In May, we reported our Fuze T50 had won a Medical Design Excellence Award. At the annual Medical Design and Manufacturing Conference held in June, we found out we had won **BIG**. The Fuze T50 was selected as a **GOLD** winner. The Fuze T50 took the **TOP AWARD** in the Rehabilitation and Assistive Technology Products category.

Our PDG Rep for NYC, David Rabbiner of BioDynamics Ltd., accepted the trophy on behalf of PDG.

## Check It Out!

### PDG has a Brand New Web Site Chock Full of Information!

It's a great resource tool and easier than ever to navigate!

You can find the latest information about our newly redesigned Astrotilt wheelchairs, the popular Bentley and Stellar, our bariatric Eclipse series and our Fuze wheelchairs - the T20 and the award-winning T50.

Download order forms, get an on-line quote or place your order on-line. Check out PDG product information, find out where we will be exhibiting or locate a PDG sales rep in your area.

You can find manuals, PowerPoint presentations and product testing results - just a sample of what PDG's Support page has to offer.

Click this link and have a look! [www.PDGmobility.com](http://www.PDGmobility.com)
