

Be Our Guest At ISS 2010

Do you have a clinical case study with a PDG product? At PDG, we believe clinicians and suppliers learn best about PDG products through the sharing of case studies.

If we choose your case study to post on our web site, you will be our guest* at the 2010 International Seating Symposium in beautiful Vancouver, BC. PDG will pick up the tab for up to \$500 for registration, transportation and/or accommodation.

If you are not attending ISS, we will reimburse your expenses relating to attendance at an agreed-upon rehab education event* of your choosing - up to \$500 for registration, transportation and/or accommodation.

Here's what we're looking for:

- Your "before and after" photos and/or video**
- Clinical notes
- Key assessment findings
- Goals
- Product features required
- PDG wheelchair prescribed
- Outcome measures
- Photo/Video Release form**

For more information, contact:
 Jane Fontein OT
 Director of Education & Clinical Specialist:

 Toll free in N. America: 888.858.4422
 International: +1.604.323.9220

* Receipts for educational expenses incurred must first be submitted to PDG whereupon the \$500 reimbursement payment will be made.

** A Photo Release for everyone in any of your images or video must accompany all submissions. You can find one here:
www.pdgmobility.com/Media-Resources/PDG-Photo-Video-Release.pdf

For examples of our Case Studies (published on our web site www.pdgmobility.com), click on any of the pictures above.
